Dear Parents,

We hope everyone enjoyed the summer holidays and our pupils are looking forward to returning to school on Monday 26th. Reminder our first day back is a half day and school will finish at 12pm.

Our classroom allocation for this year is as follows.

Junior, Senior infants: Mrs Hickey

1st, 2nd & 3rd: Mrs O'Connor

4th, 5th & 6th: Mrs Leahy

Sonas: Mr Maloney, Joan & James

Spraoi: Mrs Moloney, Tina & Ashley

Learning Support: Mr Ahern

Mainstream classroom SNA: Edwina

We are very excited to welcome our new junior infants to school. Junior infants will be finishing school at 12pm up until Friday 6th September. From Monday 9th September our infants will settle into the usual routine of staying in school until 2 o' clock. Parents of junior infants can bring their child to their classroom for the first 2 weeks of school. From September 9th junior infants can enter the school entrance independently. **Parents of junior infant children who are bringing their child to their classroom should park at the church carpark to avoid traffic congestion.** Esther Creagh runs an afterschool service in school from 2-3pm for pupils in junior and senior infants. This service can be helpful for children using the school bus or who have older siblings in the school. You can contact Esther for more information at 087-9349051.

Children can be dropped to school in the mornings from 9:10am to 9:20am.

Teachers will be busy preparing for the day ahead before this time. **Should you**

wish to speak with your child's teacher, please make an appointment via email.

To avoid traffic congestion in the mornings, we will be operating a **drop and go system**. Parents should leave the school car park after their children have entered the school gates. Please also be mindful of the bus set down area when dropping or collecting your child to/from school and do not park in this space. Again, we ask parents of junior infant pupils to use the church car park for the first 2 weeks of school for this reason.

Mary Hogan is in the process of setting up a Breakfast Club. We are hopeful that this will be set up and ready for use in mid-September. For more information on this please contact Mary at 087-9225613.

As you are aware, Gourmet Kids are supplying our hot lunches for the year. Lunches will be supplied from Wednesday 28th. Children will need a packed lunch on Monday and Tuesday. Some new junior infants are yet to be registered for this. Please register ASAP. All orders must be placed on the ordering system **by Wednesday 21st August at midnight**. As changes have been made to the menu there is no ordering history, so a new first order must be placed. More information is available on the document below this newsletter. If you have any questions, please contact Gourmet Kids at info@gourmetkids.ie

All of your child's books and copies will be given to your child on their first day of school. Books will remain the property of the school and students are required to handle them with care. There will be no charge for the school book rental. Your child will still need a fully stocked pencil case, 2 Pritt Sticks, 2 A4 Mesh Zip lock folders, a D Scale tin whistle (1st – 6th class), and a storage box/basket for books (from 2nd class - 6th class).

Each teacher will continue to use email to communicate with parents. If parents have a query, we ask that they use this email address as a method of communication. If you need to speak with a teacher, you can email them requesting an appointment or phone call back.
