

New School Term Sept 25/26

Dear Parent/Guardian

It is that time of the year again when the Children are getting ready to head back to school. We at Gourmet Kids are delighted to be continuing to supply Hot Lunches to your child's school.

The Hot meals will start being delivered to your school again starting on Monday 1st September .

To ensure your child has an order in place please take note of this important information.

1. Ordering will open at 9am Friday 22nd August and will close at 12 midnight on Wednesday 27th August. Any orders placed after the cutoff time will not be valid for the first week back.
2. All orders that were on the system for last years school term have now been cleared , so you must place a new first order on the system.
3. We have updated the menu so please take the time to look and see what is now available for selection .
4. Please note that the department of Social Protection has instructed that certain meals had to be removed from the menu , this mainly consisted of the the meals that we offered on the Friday , you will see that they are no longer available , this is not within our control & we do not have the ability to re-instate them. (this also includes the garlic bread which is no longer allowed with the lasagne).
5. Please ensure you select 5 meals to ensure you have a valid order , if there is a day you do not wish your child to receive a meal please select the NO MEAL as the meal for that day.

Please note that your login details will remain the same, if you have forgotten your password you have the option to reset it when you try to login , if you have a new child starting in the school please ensure to use the same email address & passwords for them. To register a new child click on Register tab on the login screen.

If you encounter any issues with login or placing your order please contact us straight away on info@gourmetkids.ie ,please do not wait until after the ordering has closed, we are here to assist with any queries you may have.

Kind Regards

Pat & Mary Power
